## PREAMBLE

The purpose of this Bulletin is to provide information concerning the format of the Ontario Provincial Long Track Championships, including competition regulations that define the eligibility and running of the Championships. The statements made in this Technical Bulletin remain in effect unless they are superseded in an amendment.

The order of precedence for speed skating rules for events sanctioned by SSO is:

- This Technical Bulletin (2023 Speed Skating Ontario Long Track Technical Bulletin)
- SSC Rule Book
- ISU Rule Book

Participants, coaches, club officials and parents are reminded that a ruling by the chief referee at any event is final and is only subject to appeal in accordance with the SSO Appeal Policy. The SSO Code of Conduct applies in all dealings with meet competition officials.

In extenuating circumstances outside of competition, the SSO Technical Committee has the final say.

Questions about the content of this Technical Bulletin may be directed to the SSO Technical Director at [techdirector@ontariospeedskating.ca](mailto:techdirector@ontariospeedskating.ca).

## ONTARIO PROVINCIAL LONG TRACK CHAMPIONSHIPS

The event will take place over two (2) days, weather permitting, in Ottawa, Ontario.

**The planned event date of January 14-15, 2023 has been cancelled.**

**The backup event date is January 28-29, 2023.**

**The next backup event date is February 11-12, 2023.**

Skaters with a SSO competitive membership aged 7 years old and above before July 1, 2022 are eligible for the Ontario Provincial Long Track Championships.

### Equipment

Speed Skating Canada equipment requirements (Regulations D3-200, D3-300, D3-301) will be enforced for this meet. See the [SSC Red Book](#) for most recent updates.

### Timing

Manual timing will be provided for the Ontario Provincial Long Track Championships and 0.20 seconds will be added to manually captured finish times in accordance with ISU rules.

### Coaching

A limit of two (2) club coaches per skater will be permitted in the coaching box during Mass Start racing. Coaches in the box should be Fundamentals Coach certified or higher.

A limit of one (1) coach per skater will be permitted in the coaching box during Olympic Style racing. Coaches in the box should be Introduction to Competition certified. An additional coach in training may accompany the primary coach.

### Scratches

Coaches must inform the Recorder immediately if any skaters scratch from racing.

## Racing Format

This section outlines the racing distances and format of the Provincial Long Track Championships.

Racing Groups	Distances	Point Assignments
Girls and Boys 7-8	Mass Start: 100m, 300m, 500m, 700m (Super Final)	All Points, Age Class
Girls and Boys 9-10	Mass Start: 300m, 700m, 1100m (Super Final); 500m (2) Olympic Style	All Points, Age Class
Girls and Boys 11-13	500m (2) Olympic Style, 7 Lap ISU Mass Start, 1500m Mass Start, 300m Mass Start, 1000m Mass Start Super Final, 4 Lap Team Pursuit (TP)	Mass Start - All Points, Age Class Olympic Style - Sammelagt Points converted to Racing Points. No points for TP.
Open Women and Open Men aged 14+ Junior C (14) Junior B (15-16) Junior A (17-18) Senior (19-29) Master (30+ in 5 year increments)	Sprint: 500m (2), 1000m (2)  All Round: 500m, 1000m, 1500m, 3000m (women)/ 5000m (men) Olympic Style  10 Lap ISU Mass Start Women and Men	Sammelagt points

Open Women and Open Men may register for individual distances, or Sprint, or All Round, or both.

Only skaters who compete in at least 500m x1, 1000m x1, 1500m, and 3000m (women) or 5000m (men) will have satisfied the requirements for the All Round Championships. The best 500m and 1000m result will count towards the overall All Round placement.

Only skaters who compete in 500m x2 and 1000m x2 will have satisfied the requirements for the Sprint Championships. All 4 events will count towards the overall Sprint placement.

**All Points:** Format in which all skaters advance to finals and therefore accumulate points.

**Sammelagt points:** Skaters' race times are converted into Sammelagt points for ranking purposes. Sammelagt points will be tabulated to determine overall placement by gender and Racing Group.

Racing Points (Appendix A) will be assigned based on Sammelagt Points where required for skaters aged 7-13 years old.

**Age Class:** Competition in which seeding is done first by gender, then by age, with skaters of the same age class grouped together. Age Classes with 3 or less racers may be combined to provide meaningful competition at the discretion of the Technical Committee and the Chief Referee. Distances raced by the combined age classes will be at the discretion of the Technical Committee and the Chief Referee, ensuring that all distances required for CYLTC selection are raced.

**Olympic Style:** Races are gender specific and final races. There is no advancement.

For racing groups with Olympic Style 500m x 2 or 1000m x2: the skater will be assigned either the inner or outer lane for race #1. The skater will be assigned the other lane for race #2.

## **Seeding of Racers**

Seed times from outdoor and indoor events held between January 1, 2021 – present will be accepted for seeding purposes. Indoor times will be adjusted by recognized calculation standards for comparison with times skated outdoors. The recognized calculation standard for an indoor time is 106% of the indoor time, in order to be compared to other outdoor times. Seed times may be verified on [www.speedskatingresults.com](http://www.speedskatingresults.com). Skaters without long track seed times will be seeded at the bottom of their Racing Group.

Racers may be put in Quads for Olympic Style races 1000m, 1500m, 3000m, or 5000m.

If any racing group does not have enough skaters to run heats and finals in any distance, that group shall run a heat and a final in the distance to determine placing on the line of the final.

## **Results and Awards**

Disqualifications (DQ), Did not finish (DNF), and Did not start (DNS) will follow SSC regulations.

Final points will be tabulated to determine overall placement by Racing Group and gender.

Sammelagt Points will be used for All Round and Sprint Open Events.

Racing Points outlined in Appendix A will be used for youth Age Classes that skate both Olympic Style and Mass Start.

Provincial Championships medals will be awarded to the top 3 finishers in each Racing Group by gender.

Provincial medals will not be awarded to skaters competing only in single distance Olympic Style events.

## **Out-of-Province Skaters**

Out-of-Province skaters are eligible to participate in the Olympic Style racing if space allows and if all COVID regulations can be followed. Out-of-Province skaters are not eligible for Provincial medals.

## **Racing Schedule**

The Racing Schedule will be determined after registration has closed.

# SELECTION CRITERIA: CANADIAN YOUTH LONG TRACK CHAMPIONSHIPS

The Ontario Provincial Long Track Championships will select Team Ontario for the 2023 Canadian Youth Long Track Championships (CYLTC) if the event can be hosted on January 14-15 or January 21-22 in Ottawa. If the event cannot be hosted on either of these weekends due to weather, ice conditions or other unforeseen circumstances, the Technical Committee will make an alternate plan for Team Ontario Selection for CYLTC, because final registrations for CYLTC are due to Speed Skating Canada on January 25, 2022. Skaters aged 11-13 before July 1, 2022 are eligible for CYLTC this year.

## January 4, 2023 Team Ontario Selection for CYLTC Update

To meet SSC's registration deadline and with the forecasted mild temperatures, we are unable to host our youth selection event for the Canadian Youth Long Track Championships (CYLTC) on January 14-15 or January 21-22, 2023 in Ottawa. **We will be joining Championnats Quebecoise de la Jeunesse in Quebec City on January 21-22, 2023, and will select our youth skaters (skaters aged 11-13) for CYLTC at this event.**

Registration for the Championnats Quebecoise de la Jeunesse will be done through IceReg January 12-15, 2023. The registration link will be shared as soon as it is available.

The format of the CYLTC is available in the CYLTC Bulletin which is available on the SSC [LT bulletins page](#). Skaters and coaches should familiarize themselves with the CYLTC Bulletin.

The quota number of skaters that the Speed Skating Ontario (SSO) may send to CYLTC is 2 skaters per eligible age/gender. Additional spots may become available for additional team members if other Branches decline their spots.

At the close of the **Championnats Quebecoise de la Jeunesse in Quebec City**, the SSO Technical Committee will announce the provisional team consisting of 2 primary skaters and up to 3 alternates per eligible age class to represent Ontario at the CYLTC. The provisional team will include the top 5 overall finishers per age class from the Ontario Provincial Long Track Championships.
