Short Track Ranking List

2019-2020 Racing Season

This Ranking List captures the skater's best time from the 2010-2020 season as per the Technical Bulletin 2019-2020 (see <http://ontariospeedskating.ca/technical-bulletins/> (<http://ontariospeedskating.ca/technical-bulletins/>)), where only current season (2019-2020) times will be maintained on the O SSA Ranking List. Racing must be gender specific for skaters above 11 years old in order for times to be considered for the Elite Ranking List.

In order for a time to be eligible to be included on the O SSA Ranking List, the race must have been skated at a meet sanctioned by one of the following organizations:

Speed Skating Canada, Ontario Speed Skating Association, Any other Provincial Branch as recognized by Speed Skating Canada, US Speedskating at an American Cup event

Contact: sportmanager@ontariospeedskating.ca (<mailto:sportmanager@ontariospeedskating.ca>)

These lists will be populated as times are recorded for individual skaters. Please be aware that all times listed here are in seconds (ss.ms), not minutes (mm:ss.ms). The following Meets have provided recorded times for these lists:
