

## SCREENING POLICY

### Preamble

1. Speed Skating Ontario (SSO) understands that screening personnel and volunteers is a vital part of providing a safe sporting environment and has become a common practice among sport organizations that provide programs and services to the community. The purpose of screening is to identify Individuals involved with Speed Skating Ontario activities who may pose a risk to SSO and its participants so that appropriate protective measures may be implemented.

### Definitions

2. The following terms have these meanings in this Policy:
  - a) *"Criminal Record Check (CRC)"* – A search of the RCMP Canadian Police Information Centre (CPIC) system for adult convictions
  - b) *"Local Police Information (LPI)"* – additional conviction and selected non-conviction information in national and local police data sources which may be relevant to the position sought
  - c) *"Enhanced Police Information Check (E-PIC)"* – a Criminal Record Check plus a search of local police information, available from Sterling Backcheck
  - d) *"Vulnerable Sector Check (VSC)"* – a detailed check that includes a search of the RCMP Canadian Police Information Centre (CPIC) system, local police information, and the Pardoned Sex Offender database

### Application of this Policy

3. This Policy applies to all individuals whose position with SSO is one of trust or authority which may relate to, at a minimum, finances, supervision, or Vulnerable Individuals.
4. Not all individuals associated with SSO will be required to obtain a criminal record check or submit screening documents because not all positions pose a risk of harm to SSO or to its participants.
5. Speed Skating Ontario will determine which individuals will be subject to screening using the following guidelines. In its absolute discretion, SSO may adjust the specific screening requirements for a given position at any time:

Level 1 – Low Risk - Individuals involved in low risk assignments who are not in a supervisory role, not directing others, not involved with finances, and/or do not have unsupervised access to Vulnerable Individuals. Examples:

- a) Parents, guardians, youth, or volunteers who are helping out on a non-regular or informal basis

- b) Assistant Coaches
- c) Team managers and Chaperones
- d) Chief Officials

- c) Coaches and Athlete Support Personnel who could be alone with athletes
- d) SSO Board of Directors and Staff

7. When a person declares a conviction as part of the Screening Disclosure Form, a CRC or VSC reveals an offense and/or concerns are identified as part of the screening process, the applicant must be directed to SSO's Screening Committee.
8. The Screening Committee is responsible for reviewing all documents submitted and, based on the review, making decisions regarding the appropriateness of individuals filling positions within Speed Skating Ontario. In carrying out its duties, the Screening Committee may consult with independent experts including lawyers, police, risk management consultants, volunteer screening specialists, or any other person.
9. Failure to participate in the screening process as outlined in this policy will result in the Individual's ineligibility to occupy the position.
10. If at any time an individual subsequently receives a conviction for, or is found guilty of, an offense they will report this circumstance immediately to Speed Skating Ontario.
11. If an individual provides falsified or misleading information, the individual's eligibility to occupy the role will immediately be suspended and may be subject to further discipline in accordance with SSO's Discipline, and Complaints.
12. Decisions of the screening committee may be appealed in accordance with SSO's Appeal Policy.

  - c) Not be alone with vulnerable Individuals
  - d) Individuals unable to fulfill requirements in 15a or 15b shall not be permitted to participate in the activity until full screening is completed.

### Young People

16. Speed Skating Ontario defines a young person as someone who is younger than 18 years old. When screening young people, Speed Skating Ontario will:
- a) Not require the young person to obtain a VSC or E-PIC; and

- b) In lieu of obtaining a VSC or E-PIC, require the young person to submit up to two (2) additional letters of reference.

17. Notwithstanding the above, Speed Skating Ontario may ask a young person to obtain a VSC or E-PIC if SSO suspects the young person has an adult conviction and therefore has a *criminal record*. In these circumstances, SSO will be clear in its request that it is not asking for the young person's *youth record*. Speed Skating Ontario understands that it may not request to see a young person's youth record.

### **Renewal**

18. Unless Speed Skating Ontario determines, on a case-by-case basis, to modify the submission requirements, individuals who are required to submit an E-PIC, Screening Disclosure Form, VSC, or Screening Renewal Form, are required to submit the documents as follows:

- a) An E-PIC every three years
- b) A Screening Disclosure Form every three years (**Appendix C**)
- c) A Screening Renewal Form (**Appendix D**) every year
- d) A Vulnerable Sector Check once

19. Speed Skating Ontario, the Screening Officer or Screening Committee may request that an individual provide any of the above documents at any time. Such request will be in writing and reasons will be provided for the request.

### **Orientation, Training, and Monitoring**

20. The type and amount of orientation, training, and monitoring will be based on the individual's level of risk, at Speed Skating Ontario's discretion.

21. Orientation may include, but is not limited to: introductory presentations, facility tours, equipment demonstrations, parent/athlete meetings, meetings with colleagues and supervisors, orientation manuals, orientation sessions, and increased supervision during initial tasks or initial period of engagement.

22. Training may include, but is not limited to certification courses, online learning, mentoring, workshop sessions, webinars, on-site demonstrations, and peer feedback.

23. Certification may include but is not limited to, first aid qualifications, coach certification, official certification, membership in a recognized professional association.

24. After orientation and training, the individual will be required to acknowledge, in written form, that they have received and completed the orientation and training.

25. Monitoring may include but is not limited to: written or oral reports, observations, tracking, electronic surveillance (e.g., facility security cameras), and site visits.

### **How to Obtain an E-PIC or VSC**

26. The individual may obtain an E-PIC by providing Speed Skating Ontario with their legal name and email address. Speed Skating Ontario will send individuals seeking a position with the Speed Skating Ontario an invitation for screening through Sterling BackCheck.

27. SSO understands that the police Records Reform Act, 2015 requires the individual to consent in writing before requesting a CRC (such as an E-PIC). The Act also requires the individual to consent in writing for any disclosure of the results of the requesting organization.

28. Individuals may only obtain a VSC by visiting an RCMP office or police station, submitting two pieces of government-issued identification (one of which must have a photo), and completing any required paperwork. Fees may also be required.
29. Fingerprinting may be required if there is a positive match with the individual's gender and birth date.
30. Speed Skating Ontario understands that it may be required to assist an individual with obtaining a VSC. Speed Skating Ontario may need to submit a Request for VSC (**Appendix E**) or complete other documentation describing the nature of the organization and the individual's role with vulnerable individuals.

#### **Procedure**

31. Screening documents must be submitted to SSO's Screening Officer:

**Mary Frances Carter** [executivedirector@ontariospeedskating.ca](mailto:executivedirector@ontariospeedskating.ca)

Questions with regards to submission of screening documents and options for alternative submission should be directed to SSO's Screening Officer.

32. An individual who refuses or fails to provide the necessary screening documents will be ineligible to volunteer or apply for the position sought. The individual will be informed that their application and/or position will not proceed until such time as the screening documents are submitted.
33. Speed Skating Ontario understands that there may be delays in receiving the results of an E-PIC or a VSC. At its discretion, Speed Skating Ontario may permit the individual to participate in the role during the delay. SSO may withdraw this permission at any time and for any reason.
34. Speed Skating Ontario recognizes that different information will be available depending on the type of screening document that the individual has submitted. For example, an E-PIC may show details of a specific offense, or not, and/or a VSC may be returned with specific information or simply a notification indicating 'cleared' or 'not cleared'.
35. An initial review of screening applications will be completed by the SSO Screening Officer. The SSO Screening Officer will make one of the following determinations:
  - a) The SSO Screening Officer will confirm that the applicant passed screening if all screening documents have been submitted and are clear and there are no current or pending infractions or sanctions.
  - b) If the screening documentation reveals an offence, the SSO Screening Officer will convene an SSO Screening Committee (comprised of 1-3 committee members) and/or seek legal counsel to review the application in more detail. When sending screening documents to a screening committee or counsel, documents will be redacted to protect the individual's identity and reduce the opportunity for bias.
36. Following the review of the screening documents, the Screening Committee will decide:
  - a) The individual has passed screening and may participate in the desired position;
  - b) The individual has passed screening and may participate in the desired position with conditions;
  - c) The individual has not passed screening and may not participate in the desired position; or
  - d) More information is required from the individual.
37. The Screening Committee will use the following as a guide to determine if an individual has not passed screening if the screening documentation reveals any of the following:

- a) If imposed in the last three years:
  - i. Any offense involving the use of a motor vehicle, including but not limited to impaired driving;
  - ii. Any offense of assault, physical or psychological violence;
  - iii. Any offense involving trafficking and/or possession of illegal drugs;
  - iv. Any offense involving conduct against public morals; or,
  - v. Any offense involving theft or fraud.
- b) If imposed at any time:
  - i. Any offense involving a Minor or Minors or Vulnerable Person(s);
  - ii. Any offense involving the possession, distribution, or sale of any child-related pornography; or,
  - iii. Any sexual offense
  - iv. Any disciplinary and/or sanction by a sport governing body or by an independent body (i.e., private tribunal, government agency, etc.) where sanctions remain in effect

38. In making its decision, the Screening Committee will consider the type of offense, date of offense and relevance of the offense to the position sought.

### **Conditions and Monitoring**

39. Excluding the incidents above which, if revealed, would cause the individual to not pass screening, the Screening Committee may determine that incidents revealed on an individual's screening documents may allow the individual to pass the screening process and participate in a desired position with *conditions* imposed. The Screening Committee shall have the sole and unfettered discretion to apply and remove conditions, determine the length of time for the imposition of conditions, and determine how adherence to conditions may be monitored.

### **Records**

40. All records will be maintained in a confidential manner and will not be disclosed to others except as required by law, or for use in legal, quasi-legal, or disciplinary proceedings.

41. The records kept by Speed Skating Ontario as part of the screening process include but are not limited to:

- a) An individual's Vulnerable Sector Check
- b) An individual's E-PIC (for a period of three years)
- c) An individual's Screening Disclosure Form (for a period of three years)
- d) An individual's Screening Renewal Form (for a period of one year)
- e) Records of any conditions attached to an individual's registration by the Screening Committee
- f) Records of any discipline applied to any individual by Speed Skating Ontario or by another sport organization

### **Sport Safety Training**

42. SSO recommends that all Individuals complete training and regularly participate in professional development activities regarding emerging best practices and new standards in sport.

SSO mandates training for Individuals in Positions of Authority and Trust. Training requirements are informed by the risk level associated with the position as defined in the [Screening Policy](#) and the specific skills and responsibilities associated with the role.

All mandatory training will take effect for the start of the 2025-2026 season. The following table, Appendix A, outlines the training requirements. It is anticipated that SSO will introduce additional mandatory training in the coming years and some requirements will change as sport evolves.
